

A Report

Cricket Tournament Faculty & staff vs Alumni

The Alumni association of BPPIMT celebrated their 10th anniversary by organizing an intra alumni cricket tournament at the NKDA cricket stadium, Newtown on 11th November 2107. Total five teams participated in this tournament. One of the main attractions of the tournament were the matches held between the Faculty and staff members of the Institution vs the alumni teams. There was a wonderful response from the alumni side, as pass out batches from 2004 till 2016 were present for the tournament.

Apart from cricket, the members of the association had arranged for 'hitting the wicket' - an event for the female audiences.

At the end of the tournament the prize distribution ceremony was held. The prizes to the Winner and the Runner up team were given by the Principal madam Prof Dr. Sutapa Mukherjee and Dr. Sandip Ghosh the Principal of the Salt lake campus of BPPIMT respectively.

The overall ambience and the arrangements made by the Alumni members of the B.P.Poddar Institution were excellent.
