

B. P. PODDAR INSTITUTE OF MANAGEMENT & TECHNOLOGY

Department of Electronics & Communication Engineering

Academic Year: 2019-2020

Laboratory Name: Bell Project Laboratory

Room No.: B403

Area of Expertise

Sl. No.	Area
1	Signal Processing.
2	Electronic System Design.
3	Optical Communication
4	MEMS
5	Microwave
6	Antenna
7	Molecular modeling
8	Neural Network
9	VLSI Design
10	Microprocessor / Microcontroller
11	Embedded System & IoT
12	Devices
13	Photonics
14	Computer Vision
15	Pattern Recognition
16	Wireless Communication
17	Radio wave Communication
