

# DEPARTMENT OF ELECTRICAL ENGINEERING INDUSTRIAL VISIT ON BUDGE BUDGE GENERATING STATION (CESC LTD.)

2 Day industrial visit at Budge Budge Generating Station (CESC Ltd.) was organised by Department of Electrical Engineering in collaboration with IIPC Cell on 12<sup>th</sup> and 13<sup>th</sup> Feb, 2020 for 3<sup>rd</sup> year students. Mr. Sanjay Kar Chowdhury CESC Ltd. Our DAC Member have arranged the industrial visit where the chief instructor was Mr. Siddhartha Sankar Dey. Visit was initiated by addressing the students with a presentation on Organizational , Technical profile of a Power station. Functionalities of different equipment in a thermal power station has been explained with subsequent field visit. 58 students and 6 members of faculty participated in the visit. This visit is very much useful for the students for better understanding of a thermal power plant.
