

### Recap session on Programming Skills

Department of Computer Science and Engineering in collaboration with the Industry Institute Partnership Cell organised a 2 day workshop session on the topic of Recap session on Programming Skills 27<sup>th</sup> July to 28<sup>th</sup> July 2021. The session was a combination of lecture session along with coding presentation.

The session was conducted by ARDENT COMPUTECH PVT LTD. The focus of this session was to provide the students with the fresh and upcoming areas in computer technologies. The workshop enabled the students to aware themselves with industrial needs which will shape their careers with cutting edge technological knowledge. The student response was amazing which contributed to the success of the 1 day workshop by the department.
