Date: November 11, 2020 **Time: 7 pm**

An invited talk on “How to write Project Proposals” was organized by Research & Development Cell in association with Institute Quality Assurance Cell of B.P. Poddar Institute of Management and Technology, Kolkata on November 11, 2020.

All faculty members across all departments participated in this session held virtually on Google Meet platform. Prof. J. K. Mandal, Professor, Department of Computer Science & Engineering, Kalyani University enlightened the participants of the session about the different nuances of writing project proposals, selecting funding agencies aligning with the research directions, maintaining research ethics and using various tools for developing the proposal. The session was very informative and interactive, enthusing and motivating the participants towards writing good quality research proposals.
