

Post Covid 19: Future Scope and Challenges for Engineering Professionals in Industry and Higher Studies

A three day webinar series was organized by Department of Electronics and Communication Engineering of B.P. Poddar Institute of Management & Technology on the topic -“Post COVID 19: Future Scope & Challenges for Engineering Professionals in Industry & Higher Studies”. This webinar series was held from 10th to 12th July, 2020 via Google Meet and due to registration of large number of participants from our Institute and from other Institutes as well, YouTube Live Streaming of the webinar was arranged so that we could accommodate all the registered participants. Nearly 160 participants joined the session, which were taken by the alumni of this Institute.

The Day 1 of the webinar was inaugurated by Principal Madam of the Institute Prof. (Dr.) Sutapa Mukherjee. The gracious presence of Former Dean of Academics, Prof. (Dr.) B.N. Chatterji Sir also motivated the speakers and the participants. This session was conducted by Dr. Shaumik Bhattacharya who is presently working as an Assistant Professor in Department of Electronics & Electrical, IIT Kharagpur. He provided brilliant insights on higher studies opportunities and also on Machine Learning. On Day 2 of the session, Mr. Samaresh Halder, presently working as a Senior Service Engineer at Ericsson India Pvt. Ltd. shared his knowledge on Telecom Radio Access Network Overview including GSM (2G), WCDMA(3G) & LTE (4G). Two eminent speakers Mr. Debasish Das and Mr. Siddharta Chakraborty separately took an hour session on last day of the webinar. Mr. Das who is founder of D.D. Electro Tech inspired the participants by sharing his ideas on how to make business successful using Social Media whereas Mr. Chakraborty enlightened the participants on Preparation of Job, prospect of Automation testing in IT industry. The webinar was mainly directed to the students so that they can gain some idea on various prospects that awaits them in Post- Pandemic period. But it was wonderful to see that many faculty & staff members also joined the session and helped in successful completion of the webinar.

The image shows a Google Meet interface. On the left, a presentation slide titled "The Economist (March, 2020)" is displayed. The slide content includes:

- Forecasts for the long-shadow implications of COVID-19 range from a five-year disruption to one of six months.
- Forecasts predict anywhere from a 15% to 25% decline in enrollment
- The academic year will be 12 months long and combine the best of in-person and online learning and will contribute to improved progression and graduation rates.
- Longer year-round recruitment activities might be observed

On the right, a grid of participants is visible, including Debasish Das, Ivy majumdar, Saumik Bhattacharya, Rashmita Mishra, Sarajit Mandal, somali sikdar, anikita indu, SUSMITA BISWAS, saakash de, Soumyadyuti Bagchi, saakya saha, mrimanka chakraborti, Sakshee, Shreya Chowdhury, Soubhik Maji, and SHYAMAPRIYA CHOWDHURY. A chat window on the far right shows a list of participants, including Arundhiti Bngupta (You), saakash de, Akash Ghosh, Amartya Dutta, Anirban Saha, anikita indu, and Abreyee Paul.
