Institution's Innovation Council & Entrepreneurship Development Cell (Sphuran)
Report on Workshop on 'Entrepreneurship Skill, Attitude and Behaviour Development'
Academic Year: 2021-2022

Institution's Innovation Council and Entrepreneurship Development Cell (Sphuran) of BPPIMT organized a workshop on 'Entrepreneurship Skill, Attitude and Behaviour Development' on 25th February, 2022. Four students of various departments presented their research works and innovation. Ms. Randrita Sarkar, student of Information Technology delivered a talk on 'Breast Cancer Prediction using Transfer Learning'. Mr. Rohan Rudra from the same department presented on 'Stereo Depth Estimation'. Ms. Debasmita Bag, student of Electronics and Communication Engineering discussed her work on 'An Intelligent Drone based Smart Farming Solution using SPRESENCE board'. Mr. Sauvik Das, presently a final year student of Electrical Engineering of BPPIMT explained how he is manufacturing Lithium battery and selling throughout India using various ecommerce websites. 66 student enthusiasts and faculty members were present online.
