NOTICE

Date: 08.04.2020

All students are hereby advised to write Technical (Scientific and Management oriented) Review Articles on recent innovations, research outcomes, business models and ideas during this lockdown period. The articles must be written in their own language to avoid any plagiarism and should cover the following topics:

- Title
- Abstract
- Keywords (4-6)
- Introduction
- Previous Studies
- Discussion and Conclusion
- References

Such activities will help them earn 5 MAR points per article as mandated by the Maulana Abul Kalam Azad University of Technology, West Bengal (MAKAUT, WB). However, a maximum of 10 points is admissible under this category.

Students are required to send both pdf and doc files of their articles to surajitmandal.ece.bppimt@gmail.com by 15.04.2020.
